

KS1 School Council Meeting -

Tuesday 10th October

Present: Chloe & Blake (Maple) Jack and Poppy (Beech)

Apologies: None

1. Introductions

School Council members were welcomed and have already received their badges. We talked about the importance of being a good role model and representing the school well. This includes looking good and remembering our **jumper and badge** 😊

2. Personal presentation and lining up

Action: School councillors to give out stickers for those children showing good personal presentation and lining up at the end of every morning play starting 10.10.17

3. Safety on the playground

NO jumping off the climbing frame, hanging upside down or jumping off the benches - the benches to be a quiet zone/area for reading or playing gentle games. **Action:** School councillors to inform classes of this before play on 10.10.17

4. A.O.B.

Value - Respect - what activities could we think of to link to this value and the future value of courage? **Action:** Bring ideas for activities for courage to the next meeting.

Meet termly - Next meeting Tuesday 7th November in Maple Class

Meeting closed: 9:30am
