2. Kindness Wall

There are lots of post it notes on the wall - which is great as it shows lots of kindness around the school. Only one member of the School Council has used it - so School Council members were encouraged to use the wall and to let their classes know about it and to use it!

3. Fields of Life

Year 5 & 6 were visited before Christmas by the Fields of Life group from Uganda. They told us about what life in Uganda was like - for example, they had to pay to go to school - so it was very difficult to have the things that we take for granted, for example going to school. We agreed to hold a fundraising even in term 3 for them.

We agreed to hold a 'Pre loved' sale on Friday 9th February (last day of term 3). Children will be invited to bring in donations of toys that they don't play with any more that someone else might like to. There will be a small charge for the 'new' toy.

ACTION:

Tell children about the sale - Newsletter article Y5 to write and give to Miss B by the end of Friday

Posters - Y3 & 4

Get children to bring in pre loved toys

Sort toys into categories Y6, RS, ZO, HH

Sale to be held 09.02.18

4. Handwashing

We discussed the importance of washing hands. We thought of ideas to help children remember to wash their hands and why it is important.

Ideas include:

- posters in the cloakrooms / by sinks
- clips of germs on hands being shown

We will come back to this at the next school council meeting
