

CEDAR CLASS

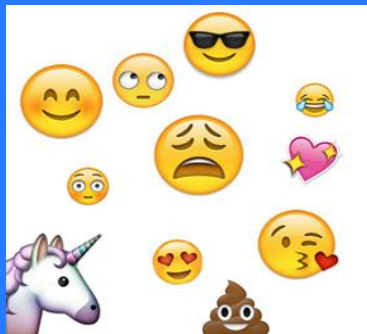

Safer Internet Week

This week in Cedar Class we completed a variety of activities that encouraged us to stay safe online.

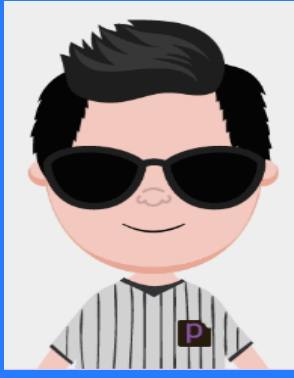

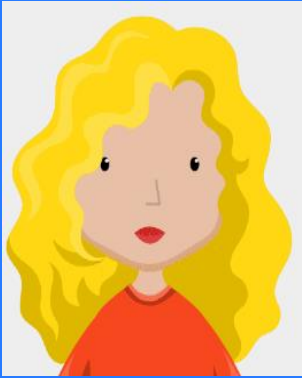

We created posters about our online identify

Here are a few of our favourite things:

- Usernames: IK037042, fireboys, cooldragon
- Favourite things to do online: play mine craft, watch football videos on YouTube, playing fifa20, find facts and pictures.
- Favourite emojis:

We also learnt about how your online identity can be different from your actual self. We used purple mash to create avatars. Some looked like us and some really didn't!

Some websites you may find useful for safer internet at home:

"I wanted to have a cat on my head because it made me laugh! This shows my personality because I'm funny"

"I wanted mine to look exactly like me"

"I'm wearing sunglasses because I'm cool"
