

Term 4 Monday 8th March 2021:

Measures for arriving at and leaving school

Staggering entrance/collection will ensure that the adults and children on site can distance appropriately and it will reduce the risk of children coming into contact with children from other bubbles. It is very important that you stick to these timings.

A staggered entry is required for our school:

8.30am - 8.40am: Single children at St George's CEP ONLY
(this includes twins in the same class)

For this timeslot, parents will not be allowed on site and must drop off at **either manned school gates**.

8.45am – 8.55am: Families 2+ children
(this includes families with a pre-school child)

For this timeslot, parents will ONLY be allowed on site if accompanying a pre-school child otherwise parents must drop off at either manned school gates.

8.55am - 9.00am: Remaining Single Pre-school children

For this timeslot parents will be allowed on site

The gates will be locked at 9.00am and anyone arriving after this time must go to the Main School entrance only.

Pick up is from the Main School entrance only from KS2 playground as follows:

3.00pm: Families 2+ children
(this includes Pre-school plus at least one child from St George's)

THIS PICK UP TIME WOULD STILL APPLY FOR DAYS PRE-SCHOOL CHILD NOT ATTENDING
FOR SAFEGUARDING REASONS

3.15pm: Single children at St George's
(this includes twins in the same class)

The emergency gates will be opened so that parents can continue to use the one-way system to safely leave the school grounds.

Parents should leave quickly and should not congregate outside of the school grounds for the safety of pupils and staff with school being situated on a road

Children in Year 5 and 6 only can arrive and leave school unaccompanied but only if relevant permission request has been authorised. They **CANNOT** be responsible for supervision of younger pupils.

Parents are encouraged to **walk to school where possible** and only one parent will be permitted on site. We recommend the use of face masks while on the school premises and adults to maintain social distancing of 2m.
