

Safer Internet Day

Free to be me

Before you tap
and click...

You need to stop
and think...

And TELL
someone!

In Oak Class we celebrated this year's safer internet day by creating class bunting which shows what we like to use the internet for. We spent time talking about our own interests and likes, our similarities and differences. We read the story 'Smartie the Penguin' and we used musical instruments to accompany the simple message above. We also looked at the story of Digiduck and discussed the importance of being kind online just as you would do in real life!
