*'Letting our light shine' (Matthew 5:16)*

**Our value this term is RESPECT  
Treat others as you want to be treated.**

**[Luke 6:31]**

To be honest, deep down we all probably knew that the start of term would coincide with warm weather. Not sure we quite expected the temperatures we've been experiencing though!

The children around school have been great – always lovely to hear the sound of children after the quietness of the school holidays and they all looked very smart with fresh uniforms and new haircuts.

A special mention to the children in Year 6 (Sycamore Class) who completed the Kent Test this week. They've also taken up roles of responsibility to help support the new children in Oak Class – who start next Monday – as well as other roles that help the school run smoothly on a day-to-day basis.

Next week, our youngest children start school so we will be back to seven classes again, which is always exciting. On talking with the children in worship this week, there weren't many who were nervous – more excited at being in new classrooms with new teachers. I was very impressed with this positive attitude!

## **BRING FAITH & EDUCATION TOGETHER**

By **'Letting Your Light Shine' (Matthew 5:16)**

Each week part of our newsletter highlights people connected to our school who fulfill our school vision, this week that honour goes to...

**Mrs Lloyd, Miss Stevenson & Ms Szodki**

On our very first day back with Breakfast Club underway we received an unannounced Health & Safety audit of Breakfast Club.

Not quite what we were expecting but the Breakfast Club ladies took it all in their stride.

I'm pleased to share they 'passed' with flying colours! Any questions or queries were met with great answers but the evidence was right in front of them with the cleanliness and record keeping of this important area in school. Well done to each of you!
