'Bringing faith and education together'

Our value this term is KINDNESS

Do not let kindness and truth leave you - Proverb 3:3

This term has seemed to fly by! We have been lucky enough to not have to close any classes related to covid and thanks to yourselves for good communication and staff, who have been supporting one another, if any absence, to ensure that we have been able to give children the face to face learning they respond best too.

We have had Safer Internet Day, Random Acts of Kindness week in addition to a full curriculum being run. There have been a number of winning sports events in cross country and football which the children have represented the school wonderfully in behaviour and attitude as well as showing determination and team work leading to some great successful results! Our new cross display 'Growing Well Together' was certainly a good choice. The children also love looking for their faces on the class photos as they come into school!

The introduction of Times Tables Rockstars has been a fantastic addition to our school. The children and teachers seem to be in competition with each other - I think the children are just about coming out on top!

Not only have we seen the impact in the children's learning of times tables but also in their cultural capital as they work out whether to save gems to buy other outfits. But watch out kids - I think the teachers will be doing some TT homework after half term!

Curriculum update! After half term some PE slots may change for classes - please make sure you check your child's class dojo. Forest schools sessions will be for Year 1 (Mondays) and Year 3 (Fridays). Sadly, we will not be swimming next term as White Oak iron out their change of company arrangements for schools. We will be back there again after Easter but not sure which classes will be able to attend just yet.

Respect

Courage

Kindness

Forgiveness

Hope

Honesty

ACHIEVEMENT CUP WINNERS!

Congratulations to Charlie, Imogen, Maison, Sienna, Lewis, Imogen, Ellie and Jason this term!

The Achievement Cup sits proudly on their desks in their classrooms.

I wonder who it will be next term?

Football Thriller!

It was a cracking game of football, with plenty of cheering from the sidelines from proud parents, friends and teachers as our KS1 Football Team played against Tiger Team.

Plenty of goal action end to end from great goals and super saves!

Ending in an 8-7 win for St. George's – it's definitely a team to watch in the future!

A MASSIVE THANK YOU must be made to our PTA who have been working hard behind the scenes to raise money for a new outdoor learning space. With the last two weeks a flurry of innovative ideas by the children to raise funds in the 2020 challenge and this week with after school sales, it has hopefully pushed them towards their target!

I'm sure they'll share this with us as soon as they know – thank you for the PTA's hard work and your generosity in supporting the school.

Have a safe and happy half term week.
We look forward to welcoming you all back on Monday 21st February with gates opening at 8.40am.
