'Bringing faith and education together'

Our value this term is HOPE

'No one who hopes in you will ever feel shame.'
[Psalm 25:3]

We have moved into our final term of the school year and what a way to celebrate by having our own school street party to celebrate the Queen's Platinum Jubilee! Children and staff came dressed in a sea of red, white and blue and spent the morning immersed in a range of art and craft activities, performing tasks in 70 seconds and learning about the different decades the Queen has reigned over.

In the afternoon we held our own street party where each class learnt and performed a song from a different decade - quite a performance from them all, enjoyed with some party cakes and lots of cheering.

A Bright Beacon!
I am sure many of you saw the lit beacon over the Jubilee Bank Holiday at St. George's Church, but we were very proud when our Head Boy - Benji - was chosen to light it.
What an honour!

Cluckingham Palace.

There's been a very exciting addition to the school we also unveiled our very own 'Cluckingham Palace' - now the home to 15 rehomed hens! They are the source of lots of excitement for the children and are producing lots of eggs showing they are happy in their new home!

Result of one parent's purchase of our eggs! There will be a constant supply of fresh eggs daily for a donation at reception.

Attendance – current whole school attendance for the year is 94.3%, our aim is 97%. A special well done to Willow Class who have achieved this but look out because Maple and Cedar are close on your heels!

The last term is traditionally a very busy one but very enjoyable – we have lots of things to look forward to but we are very excited that we are once again able to welcome families back to school for our Sports Day – always a full day for the family to enjoy! There are trips for all the classes to enjoy and our eldest children are away for a 5 day residential to Treginnis Farm in Wales. Always a big hit with the children. Look out for further updates throughout our final term.
