**'Bringing faith and education together'**

'Letting our light shine' (Matthew 5:16)

**Our value this term is KINDNESS**  
**Do not let kindness and truth leave you**  
**[Proverbs 3:3]**

This week was the turn for Key Stage One to enjoy some fantastic opportunities! They started the week with a visit from a Theatre company. The children watched 'Goldilocks and the Three Bears' and followed up with workshops. What an inspiring springboard for great learning this week in lessons on traditional tales. There's been maths, comparing sizes of objects, porridge tasting and story writing. Thank you for supporting the school in being able to fund these occasions because they really do make a difference!

There was more fun for Beech Class as they ventured to Rochester cathedral this week looking at stories through stained glass and scavenger hunt around Rochester looking for buildings, signs and symbols.

Sycamore Class were great this week making their own pizzas from dough to toppings as part of their Design & Technology learning – not sure many parents got to see the fruits of their labour as they seemed to vanish quite quickly when retrieved from the oven!

## School Visit

This term we have had Governors in school looking at core areas of our school development plan. We have also had a visit from our Kent School Improvement Advisor. I am really pleased with the feedback we have received highlighting the hard work of staff and I am so proud of the children who are the ones who really sell our school. The way they talk about their learning from Reception to Year 6 really warms my heart!
