'Bringing faith and education together'

'Letting our light shine' (Matthew 5:16)

Our value this term is KINDNESS
Do not let kindness and truth leave you
[Proverbs 3:3]

Our Chair of Governors made a visit into school this week. He met with children involved with Pupil Voice, such as members from our School Council and Leading Lights group. He was impressed by their knowledge and how valued their ideas are in school. We also had a visit from Rev Canon Tim leading worship, he talked about the Gospel of Luke and sharing good news. On Wednesday Hazel Class led a whole school and family worship sharing learning around their science focus of space entitled 'The Solar System Has Talent' keeping children and family members entertained! There has been more talent showcased with our 'Dare To Believe' Team representing the school and a special mention to Kehlani – what a talent she has for creative art projects. One made its way to the Headteacher's Office where a photo was taken for my wall of fame and you may get to see in the school office as we approach Easter with some little treats!

Our value of the term, KINDNESS, was showcased through all year groups with a special online zoom workshop. It was fantastic to wander around the classes and see children engaged in different activities that help spread kindness around our school.

Interviews & Goodbyes

It has been a busy week behind the scenes as we've been conducting interviews for two posts in school. We will be able to give you more news next week.

Don't forget to pop in and see Mrs Gilbody in Year 3 and Mrs Scriven in the office as they both head into their last week in school & say your goodbyes to these lovely ladies!
