'Bringing faith and education together'

Our value this term is HOPE

'No one who hopes in you will ever feel shame.'
[Psalm 25:3]

As I walk around the school this week, there has been a real buzz of excitement in the air. Everyone's spirits are high, due in no small part to the glorious sunshine we have had over the last week. By far the most excited group of children are our farmers who are due to leave on Sunday for their week long residential at Treginnis Farm. It's so good to be able to re-introduce our residential trips as they are always great fun for the children and no one is more excited than Mr Jones who will be accompanying them next week!! So, as we say goodbye to our Treginnis Farmers, we hope they have a fabulous time and the sun continues to shine for them. Look out for more information on a new residential for Years 3 and 4 coming next year.

On Tuesday, Year 3 led a great family service at St George's Church all about the queen and the importance of duty. They did an amazing job and it was great to see so many of you there.

Whilst it is always great to see the sun, our first priority must always be the safety of our children. Well done to those who remembered to send in sun cream, sun hats and of course water bottles.

Cluckingham Palace Update

Our chickens appear to have settled well in their new home and are laying plenty of eggs. I know some of you have been disappointed but do keep trying as the amount does vary from day to day.

And finally, a huge Happy Father's day to all our fathers for Sunday and especially Mr Shield, who hopes to be joining your ranks as a new father but Miss Gower appears to have other ideas as she is still holding onto her little bundle of joy!!! Watch this space.
