*'Bringing faith and education together'*

## Our value this term is KINDNESS

Be kind and compassionate to one another, forgiving each other,  
just as Christ forgives you. - Ephesians 4:32

## HAPPY 50<sup>th</sup> BIRTHDAY ST. GEORGE'S PRIMARY SCHOOL!

On Tuesday this week our school celebrated being on this site for 50 years!

The children enjoyed a lovely afternoon of fun - all choosing their own ways they wanted to celebrate.

I really enjoyed walking in the steps of others as I walked around the school listening to the sound of celebrating.

I particularly enjoyed seeing Oak Class who had decorated their really big 50 balloon!

Of course there were a couple of other children in school who also celebrated their birthdays on the same day and were lucky enough to get a special slice of the AMAZING cake that Kirsty, our school's cook, had organised!

Keep up to date with newsletters on our website

## Reminders!

From Monday we are heading into some old familiarity with PE, music and forest schools back in our school week. There are obviously some tweaks to ensure these are all taught safely and following latest government guidelines but it is a welcome return.

Just to remind you – children need to wear their PE kits (house coloured t-shirt and navy shorts with plain tracksuit on top if chilly) and trainers into school on their allocated day. We kick this off with Cedar Class on Monday, Maple Tuesdays, Hazel Wednesdays, Beech Thursdays and Willow Fridays! Sycamore Class are branching out and starting their forest school session from next Friday!

Home learning starts as well. Our website will be the vital link for sharing information with you via your child's class pages. Watch out for more information from your child's class teachers.

## Oak Class's First Full Week In School!

I can't quite believe it but Oak Class today finished their first full week in school! It feels like they've always been at St. George's as they are so happy, confident and to finish off the week they cleared their dinner plates! Kirsty, our Kitchen manager, was very happy with their excellent eating and the children were equally as happy as you can see from the smiles all round!

## ATTENDANCE

Thank you everyone for making sure that you communicate ALL absence, concerns and questions through our school office. This means we can help support you with the best information available to us.

Despite us moving into cold and flu season it is good to see so many children in school and learning. Since the first day of opening our whole school attendance is **95.5%**.

This is down to us all having open and honest communication so let's keep doing this as this means we are all looking after each other in our school community!
