'Bringing faith and education together'

'Letting our light shine' (Matthew 5:16)

Our value this term is FORGIVENESS

"Be kind to one another, tender hearted, forgiving one another, as God in Christ forgave you". [Ephesians 4:32]

Wow – what a week! Our aim is to provide as many experiences as we can, to broaden children's opportunities and to inspire them with their thirst for learning. The unusual visitors to our school hall this Monday definitely did this!

Having owls swoop across the hall and just above our heads was quite an experience. And for every child to have the chance to have an owl sit on their shoulder was fantastic! This was followed up in classes with art and science lessons.

Then came World Book Day.... The children love dressing up and you all helped make this a very memorable day for them – the costumes were superb! There were some lovely moments as classes buddied up for reading time, as well as writing their own class books!

Thank you as well for the support from our very own PTA who gave every child a pre-loved book as a gift for them to celebrate World Book Day. And thanks to Miss Dennis for organizing the day!

Next Wednesday is World MATHS Day – don't forget Mr Shield has organised a theme which lets the children come dressed in school as Rock Stars!

Our PTA have been using AmazonSmile to raise additional funds for school but this platform no longer exists. However, they have found another fabulous platform whereby you can raise free donations for St George's PTA while you shop!

Download the easyfundraising App – it couldn't be easier! Please use the link to sign up today!

Children Takeover!

We want our children to be independent and be in control of their learning and have opportunities to show their leadership and they are definitely doing it!

Miss Dennis' Journalism Club have been so pro-active and have written their next edition. Make sure you check it out on Class Dojo!

This afternoon some children in Year 6 led the first afternoon of Key Stage 1 Inter-House Multi-Skills competitions. Together they planned the stations, and led event for our Year 2 Maple children. There are some great sports skills in the class with some very high scores recorded. The final result is under lock and key ready to be added to by Year 1 Beech next week and Year R Oak after that!

Watch this space for the overall winners soon!

Adrian Crust, from Kent County Cricket coaching was in school this week to work alongside our Year 1 and 2 classes. He was impressed with their enthusiasm and skills and looking forward to coming back and working with them again next week!
