*'Bringing faith and education together'*

## Our value this term is FORGIVENESS

Be kind to one another, tenderhearted, forgiving one another,  
as God in Christ forgave you.

[Ephesians 4:32]

It has been a milestone this week with it being one year since the first lockdown was called for across the country. Across the school we all paused for a minute to remember those who have gone through very difficult times and those who have worked tirelessly to help others.

The children have also seen our new cross that has been put up in our KS2 quiet garden area. We want to use this as a focal point for bringing us together as our school community. With Easter coming next week it is going to be a time for us to use the final three days of the term to celebrate this special time of year. We have a range of activities for the children to be involved in but we would like the children to bring in a spring flower that we can intertwine into the cross for a stunning feature for us all to enjoy. Please can your child bring in a flower or flowers on Monday morning to place in front of our cross on their way into school.

## The PTA Big Easter Raffle

We hope you all received your book of raffle tickets. Don't forget to return them to school with payment so you can enter the amazing prize draw for a number of yummy Easter treats!

## The Children Have Spoken...

One thing we really encourage is children having their say about things they'd like. So over Easter they would like to make Easter hats and/or an egg in a scene – all entries can be photographed and sent to their teachers on dojo. Winners will be announced next term!

Then there's the Mr Jones' Weekly Challenge – the children enjoyed doing tasks at home together so they send their challenges for Mr Jones to set one each week. I suspect a lot may be centered around food!

Respect

Courage

Kindness

Forgiveness

Hope

Honesty

Keep up to date with newsletters on our website and keep an eye on the class pages

## Thinkuknow

With our children spending more and more time on the internet, it is increasingly important that, as parents, we ensure our children are safe when surfing the net and that they understand and follow some simple rules to keep themselves safe on-line. It's often difficult to know what and how much to tell our children so Thinkuknow.co.uk have recently updated their website with some fantastic resources that help parents discuss this vital information with their children. All resources are age appropriate and include videos and activity packs covering topics such as sharing images, live streaming, gaming, how to respond to online risks, sex, relationships and the internet and online grooming. For more information, click on the link below

## RED NOSE DAY

Thank you to you all for supporting Red Nose Day this year. We raised £198.56 which is fantastic!

## PE DAYS - next term

Next term we are ensuring every class gets a dedicated PE session or are doing forest schools.

For your child's PE day we need them to come into school in the right kit for their day.

So please send your child into school wearing school PE kit (navy/black shorts & house coloured t-shirt), with tracksuit bottoms and trainers.

MONDAY: Maple (Year 2)

TUESDAY: Oak (Year R)

WEDNESDAY: Willow (Year 4)

THURSDAY: Hazel (Year 5) / Beech (Year 2)

FRIDAY: Sycamore (Year 6)

Cedar Class (Year 3) are doing Forest Schools on Friday in term 5 and Year 4 in term 6, so will replace each other's sessions

**We are also continuing with daily activity so we would like your child to leave a spare pair of named trainers in school in a named school PE bag or a named carrier bag so they can be easily hung on the child's peg.**

A reminder that in our uniform policy for health and safety longer hair should be tied back and no jewelry worn. If your child has pierced ears then we allow studs but they will be taped, watches will be removed and remain the child's responsibility.
