'Bringing faith and education together'

'Letting our light shine' (Matthew 5:16)

Our value this term is FORGIVENESS

"Be kind to one another, tender hearted, forgiving one another, as God in Christ forgave you". [Ephesians 4:32]

The weather has been a real mix of experiences from snowy and windy to glorious sunshine! This hasn't stopped us enjoying so many great things this term. What a fantastic term we have enjoyed!

This week was an early celebration of Easter with very good performances put on throughout the school. It is a real pleasure to see how much the children grow in confidence in performing through their tie at St George's. From singing in reception to standing in front of a full Church to speak out loud is quite something.

There was some sport played this week too with some of our Year 6s representing us at a Hockey Tournament, and all of Key Stage 2 taking part in their multi-skills Inter House competition, with St David's House being the overall winners!

We've also heard about our Achievement Cup winner for the term – a privilege to read out to the school why they've been chosen and how they inspire others.

Enjoy the Easter break and we will see you back at school on Monday 17th April as we start term 5 and move into the summer months. Lots to look forward to – sports competitions, sports day, St George's Has Talent, residentials, educational visits keep an eye on dojo to stay up to date!

Please check the dates for classes doing PE, forest schools and swimming as they have changed. Can I remind you that PE kit is navy or white shorts, house coloured t-shirt or plain white t-shirt with hair tied back and no jewelry.

Healthy Lunch – Healthy Minds

Thank you to the parents and children who worked alongside the Kent School Health Team exploring their ideas and ways to support families with planning, making and eating healthy foods on a budget.

They explored the Eatwell Plate, prepared and ate some tasty recipes! We will send you the links to try some yourselves at home!

As a healthy school we promote eating together at lunchtimes, encourage children to try new things and have a balanced diet with sensible portions in lunch boxes. Sadly, we have seen some lunch boxes that are over loaded with crisps and chocolate and lack the balance needed for a healthy diet. Please help support us by trying some new recipes, thinking about portion sizes in lunch boxes and putting in a range of foods so the treats we all like are being balanced with some healthier choices too!
