'Bringing faith and education together'

Our value this term is HONESTY

Let us not love with words or speech but with actions and in truth.

[1 John 3:18]

It has been wonderful to start the summer term with the sunshine! The children have been excited to resume their PE lessons but probably the biggest cheer was being able to spend their break times on the field once more!

With new track lines painted the children have been seen practicing their sprint starts in preparation for a sports day (fingers crossed). This year we are building on the children's success at cross country and have added a long distance section for them to experience too! It's certainly important that while we have a drive on academic learning that we also promote physical activity after months of being confined to our homes.

Next week we will be taking part in the national event 'England Does The Daily Mile' day. The aim is to get as many primary schools around England to get moving on the same day, to celebrate the positive benefits that daily activity can have on our mental health. More details will be sent early next week but please make sure your child definitely has a pair of trainers in school that day!

Our value of the term this week is HONESTY. The children have been sharing their ideas of what this means to them in our worships this week and have discussed that 'Honesty is the best policy!'

His Royal Highness, The Duke of Edinburgh, 1921 – 2021

Following the sad news of the death of His Royal Highness, The Duke of Edinburgh, we are now in a period of national mourning. Through our worships this week we have been honouring his memory, commitment and companionship.

Being 99 on his passing he was an ambassador of an older generation for us. Captain Tom was another, on the 30th April he would have been 101! This year we will mark this by supporting the 'Captain Tom 100' campaign – more details to follow...

Mr Jones launched the Royal Mail's Heroes Stamp Design Competition today. This is in honor of the key worker and volunteer heroes of the coronavirus pandemic on stamps. Further information will be provided by Mr Jones on the School Story on Class Dojo so keep a watch for a notification popping up!

It was great fun celebrating St George's day today around school. The Year 3s in particular had fun with a forest school visit by St George himself and spent the day whittling swords to ensure no dragons ventured onto our grounds!

ARTS WEEK

Every class in school has been enjoying learning about an artist this week as well as developing their skills in different techniques. We are looking forward to seeing the final pieces to create our own school gallery!

Virtual Parents Consultations

Thank you to everyone who took part in your child's Virtual parent consultations. This is an important way for teachers to be able to share with you your child's academic achievements and how we can support them moving forward.
 If for some reason you missed your consultation, then please contact your child's class teacher via Dojo so they can speak to you.
