'Bringing faith and education together'

Our value this term is HOPE

No one who hopes in you will ever feel shame.

[Psalm 25:3]

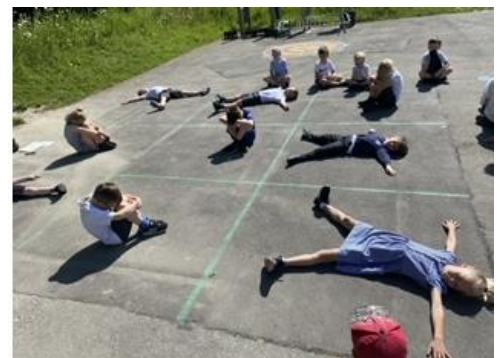

The summer term has started in glorious sunshine! Thank you to you all for ensuring your child comes to school with a filled water bottle (we regularly fill them throughout the day), hat with sun cream applied before school starts. If you send in sun cream please make sure the bottle is named and is in a plastic bag in case of leaks as these must be for your child only and not shared. The children are all being very good using their 'Stay Safe In The Sun' knowledge!

This last term we have had the introduction of the Daily Mile for every class. Even over five days the children can see how much they improve each day and they work towards beating their own PBs! In addition, we have seen a big Story Tent put up where each class has, or will be, spending time hearing or reading stories from different faiths allowing the children to share and explore thoughts and ideas together.

We have been very lucky this term to welcome Mrs Lyle back for the summer and she has been teaching across the school. Mr Burton, Miss Rush and Miss Silk, our student teachers are continuing their placements with us and are a great addition to our team. I loved the human noughts and crosses I saw in action!

It was also a heart-warming occasion to welcome Mrs Allcorn back into school for a brief visit to say hello. It has been over a year since we have seen her in school and I know many of you will be pleased to hear that she has made a remarkable recovery and we can't wait to welcome her back soon.

I'm not sure I could finish without mentioning today being the start of the European Football Championships. It has been wonderful seeing so many colours of outfits and flags and costumes for some of the participating countries. On an aside the children's geography knowledge has been developing at a rapid rate – children recognizing flags of countries.

Respect

Courage

Kindness

Forgiveness

Hope

Honesty

THE EUROS ARE HERE!
 There was a lot of excitement and fun in the air today as each class could come dressed in the colours of their Euro Football team their ambassadors chose last term!
 Here are just some of the super outfits today....

LOOKING AFTER OUR CHILDREN

Can I please remind everyone **NOT** to use the area outside of the school gates for dropping off, turning round or picking up children in your cars. This is dangerous for children and adults who are walking out of the school grounds. I would rather you found a safe place to park and be a minute or two later than for there to be a horrible accident – thank you.
