*'Bringing faith and education together'*

## Our value this term is HOPE

No one who hopes in you will ever feel shame.

[Psalm 25:3]

It has been quite a sporty two weeks both in school and out. Euros football fever has definitely hit with lots of celebrating and discussion of games watched and analysed. The children's general knowledge about countries, capital cities has also increased too! Lunch on Thursday celebrated the start of Wimbledon. We've also had Adrian Crust into school from Kent County Cricket. A great coach who saw a lot of potential in our school! He suggested if your child is interested in taking up cricket then they should contact the junior section of local cricket clubs such as Meopham, Vigo or Addington.

We also did our Sports day. It was the first one for both Oak and Beech class, with our Year 1 class not experiencing it last year. It was also our Year 6's last. But this year group is a very special one. The last two years of their primary school has been disrupted by covid restrictions but they just get on with it and make the most of the situation. They led the way on sports day and I am very proud of them all! It was a great day for the children to enjoy and hope that the effort the teachers went to to film and upload went some way to share their experiences. As a parent myself I understand the disappointment of not being able to attend your child's sports day but I want to say thank you for the kind words so many of you shared about how much your children enjoyed the day.

## IMPORTANT

**If your child is absent from school it is VITAL that you contact the office as soon as possible with a full, detailed reason. We have medically vulnerable children in our school as well as wanting to ensuring everyone in our school community is as safe as we can be. It is VERY IMPORTANT that you follow the school's advice of whether a PCR test is necessary to be done based on the latest information we receive from Public Health England.**

**THIS MUST BE DISCUSSED WITH THE OFFICE TEAM NOT THROUGH CLASS DOJO.**

## UPDATES

### Leavers Service

It is very sad that due to Covid restrictions we are unable to invite parents to attend. However, we will provide a zoom link so you can join us at 1pm on Monday 19<sup>th</sup> July so you can join us virtually.

### 'Meet The Teacher' Transition Sessions

Despite a lot still happening this academic year, preparations are underway for the upcoming school year. This can be quite an emotional time so to support this move we provide opportunities to 'Meet the teacher'.

Next week the children will have an opportunity to spend two mornings with their teacher for September (during these times the current Year 6 will be having some fun sessions with Mr Jones!)

### September Staffing:

Year R (Oak) – Mrs West & Miss Anderson  
Year 1 (Beech) – Mrs Demirelli  
Year 2 (Maple) – Miss Gower  
Year 3 (Cedar) – Mrs Allcorn & Mrs Foreman  
Year 4 (Willow) – Mrs Burton  
Year 5 (Hazel) – Miss Brownfield  
Year 6 (Sycamore) – Mr Shield

To support the children on these transitions the current Teaching assistants will be with the current class they work with. At this stage we have some staff changes to Teaching Assistants and we are currently at the interview stage. With this in mind I am unable to confirm where TAs will be next year but please rest assured that we know our classes and children very well and will assign our staff where they are best suited to support the children.

### End of year academic reports

These will be coming home on Monday 12<sup>th</sup> July –keep an eye on book bags. If you require multiple copies for family circumstances please inform the office as soon as possible [admin@st-georges-wrotham.kent.sch.uk](mailto:admin@st-georges-wrotham.kent.sch.uk)
