'Bringing faith and education together'

'Letting our light shine' (Matthew 5:16)

Our value this term is HOPE

No one who hopes in you will ever feel shame.

[Psalm 25:3]

Thirty children in Key Stage 2 represented our school at Hever Castle this week – they experienced triathlon disciplines of running, cycling and swimming (in the Hever castle lake!), they also experienced archery -we have a few children who showed some natural talent here! They represented our school really well and we were very proud of them!

But this week we have to say a massive WOW to our Year 6 Class of 2022-23. At the start of the week they performed a dress rehearsal of their Leavers Production 'I'm An 11 year old – Get Me Out of Here!' and then went on to do two evening performances. Every single one of them helped produce a thoroughly funny and entertaining production. Even more impressive was how much this group of children were involved in the lighting, sound and scenery for their performance. We were also blown away by the choreography of dances which the children created themselves.

This really was a showcase for a Year 6 Class of achievers!
