Issue 4: 22nd October 2021

'Bringing faith and education together'

Our value this term is RESPECT

'Treat others as you want to be treated'

Luke 6:31

What a fun filled term it has been. There has been so much to enjoy and celebrate. Our youngest children in Oak Class are now very settled in and enjoying their learning time. It's one of my favourite parts of my day to see them all enjoying being in school.

We have had some special opportunities to enhance learning through forest schools, swimming, stone age days, visits to local areas such as Lullingstone Roman Villa.

We've celebrated Harvest and World Poetry day providing children with opportunities to build confidence in performing.

Sports competitions have started again too with inter-house cross country (congratulations to the overall winning house St Patrick's) and children representing the school at football tournaments, all promoting being healthy and active.

We supported charity events such as Hello Yellow for Healthy Young Minds and Macmillan coffee morning.

And of course we can't forget the return of the Wrotham Festival of Light! It's been a long two years without it but well worth the wait. It was heartwarming to see a community unite for this quite spectacular evening of dance, lanterns and fireworks!

So, this term ends and we start to look forward to planning more exciting learning opportunities in the run up to Christmas!

Respect

Courage

Kindness

Forgiveness

Hope

Honesty

After a very long time without being able to meet up with other schools, it was wonderful to finally take part in inter-school competitions. Well done to our two different aged teams that have been representing our school!

Some of our Year 6 children passed their Bikeability this week. Being able to safely ride a bike is a great life skill so well done to all of them!

We awarded class Achievement Cups this term. It's never easy to choose just one child but the reasons given were certainly reciprocated by the other children in the class and it's lovely to see how pleased their class mates were for them! These children also received a book of their choice from Mrs Rye's Reward Library to keep! I'm looking forward to more children choosing a book as a reward for their hardwork in school next term!
