'Bringing faith and education together'

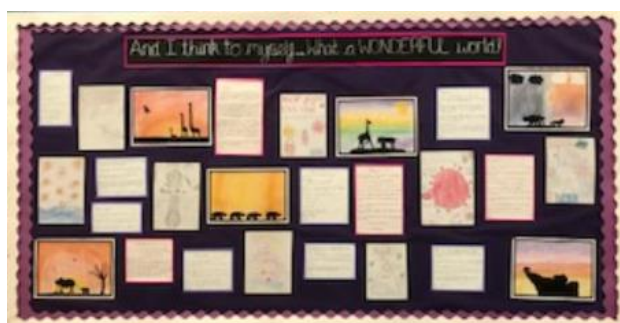

Our value this term is KINDNESS

Be kind and compassionate to one another, forgiving each other,
just as Christ forgives you. - Ephesians 4:32

Here We Are!

Here We Are by Oliver Jeffers is a wonderfully written story that explores many areas of life as we know it, the sky, sea, land, human body and much more. Oliver Jeffers filled this story with lovely messages of kindness, intertwined with a simple exploration of our world and beyond. Throughout the school all classes have used this book to unite us together as a school family and allow us to share ideas together.

Not only has it inspired us to talk, share acts of kindness and discuss our world, it has led into wonderful pieces of writing and artwork from each class – some which I am sharing with you here!

#HelloYellow in aid of YoungMindsUK

Thank you for supporting this charity which has had particular relevance this term. Yellow is not an easy colour but as usual you all surpassed yourselves in your support. It certainly helped the sunshine through the day! We raised £125 for this great charity!

Lights, Camera, Action !

Exciting time in school last week as we had a cameraman on site filming our school for new intake in September 2021! Sadly, we are not having actual tours on site this year but this has led to a great video that shows our children in action in and around our school.

You will shortly be able to check it out for yourselves on our website

If you know someone with a child born between 1st September 2016 and 31st August 2017, please refer them to our website.

STAFFING UPDATE

No news of a new arrival for Mrs Lyle just yet but we look forward to welcoming a new teacher to our school after half term. **Mrs Nesbitt** will be teaming up with Mrs Foreman after half term in Cedar Class. We are also pleased that **Mrs Moss** will be supporting in Hazel Class after half term and they will also be joined on Thursday mornings by **Mr Lopez** who is delivering some outreach coaching support from St Michaels's Prep.

It has been a tricky term for staff, who have been working incredibly hard while we have been appointing, in such challenging circumstances. I want to say a big thank you to them – their dedication to the welfare, safety and education of your children has and will continue to be our priority.

A thank you from Edward for all the children's kindness at signing Happy Birthday to him as a surprise in his worship last week! Kindness costs nothing but brings so much joy! This term's value of KINDNESS can be summed up in this fantastic photo of Lois!
