'Bringing faith and education together'

Our value this term is **COURAGE**
'BE STRONG AND COURAGEOUS'
Joshua 1:9

I'm not quite sure where the time is going but we seem to be hurtling towards Christmas!

Having said that the children have been working really hard. We've had a big geography focus this term and I've been really pleased to have sat in and watched some fantastic learning across the school! In Year 1 the children were using maps of local areas and looking at symbols but by the time we've moved through the school the children in Year 5 were using atlases to locate areas!

Then I've been visited by Year 2 children, whilst teaching, who have been exploring human and physical features of London; though what was really special was watching their confidence in sharing their learning with Year 6 who were at the time designing London landmark inspired Zen tangles in their Art & Design lesson! Love these cross-curricular links and even more how much the children support one another.

Thank you to everyone who helped support our Children In Need day - quite an array of pyjamas were on display and some very cute pudseys around!

There were quite a few more bodies in Oak Class this week as Mrs West invited the parents of our youngest children into the classroom to see our new phonics scheme in action.

We are looking forward to welcoming back those parents again next week!

It was Anti-Bullying week last week. Year 5 focused on what things are damaging to our mental health and how we can overcome them!

Mrs Burton has been busy organising our football team and they have had two home matches - both really great games with excellent results for our school!

Many congratulations to the team who have shown great sportsmanship as well as skills and clinical finishing - well done!

The end of this week has certainly started the festive feel. I can now hear the young voices singing well-loved carols and Christmas themed songs; the cross has been festively decorated; our PTA had a successful Christmas bazaar and there has been a few stray sheep loose on the grounds!

The school Christmas Tree is booked to arrive on Wednesday the 1st December with its lights switched on that day.
