'Bringing faith and education together'

Our value this term is COURAGE

Be strong, be courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.

[Joshua 1:9]

There never seems to be a quiet week at school – there is always so much going on!

This week was an amazing achievement with us raising £515 for Children In Need – and that's without adding in the children's donations for spotty Friday.

We also held our school finals for the Key Stage 2 Roar 2022 Project where children have designed and made inventions to make a difference for our futures. The overall winners were George, Xander, Oscar and Nate who will go onto the regional finals later this term – we wish them the best of luck!

In school we've had opportunities to observe classes in action and see good practice happening across the school and have held our second open morning showing future families around our school. The Year 6 children play a big part in this by hosting tours and it makes me so proud to hear the feedback on how well they did this – a credit to our school! The week ahead has a sports focus. There are a range of sports fixtures happening as well as it being the start of the men's football World Cup. We are also looking ahead to the end of the week where on Friday after school our PTA are hosting the Christmas fair. There was some concern when we found out that Father Christmas had lost his flying license and might not be able to find his way to visit us but luckily - after a lot of searching – Sofia found it and saved Christmas –phew! Please make sure you take time to come along and support this event!

Road Safety!

Sadly, there were two incidents outside school this week at drop off. Both of these involved families from our school. Luckily no one was injured.

Can we ALL please take time to park responsibly – not on zig zag lines or corners or across driveways. Parking correctly a little further away and walking makes it much safer for everyone. In school we will be focusing on road safety lessons.

I am in contact with our Parish Council and Kent County Council regarding potential changes to improve the road safety along Old London Road.
